Dear Colleagues,

I would like to thank everyone for their hard work and commitment to the Coalition for Financial Choice (CFC) initiative. Because of your efforts, more than 450,000 people across the nation have become CFC members — 350,000 of those are ACE customers and associates.

Although we have asked you to do this before, I have a special reason to ask everyone to sign up again. We want to make sure we have a stand-alone database of ACE associates. The time may come when we want all 4,000 ACE associates to be heard in Washington, D.C.

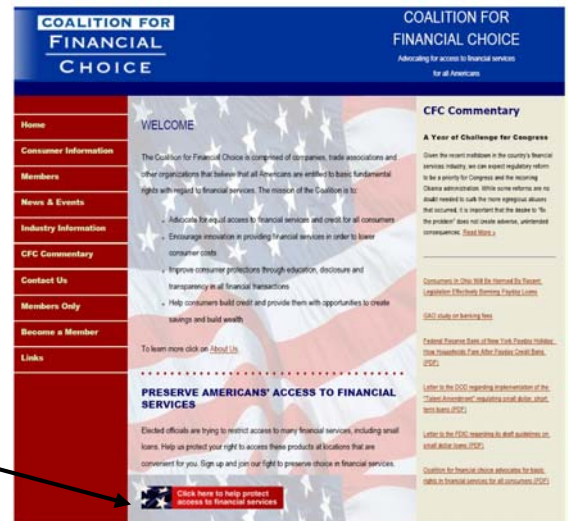

I just signed up again and it was easy. Please visit the Web site at www.coalitionforfinancialchoice.org and click on the icon at the bottom of the page.

Please be sure to check the "Employee" box at the bottom of the form before submitting.

All of us must join in this effort to protect the financial rights of all Americans.

Best regards,

Jay Shipowitz
